Reasons for Vote.

I voted "present, not voting" for the following reason: As an attorney I represent the defendant in several cases which will be affected by the passage or non-passage of this bill, which, in my opinion, is such an interest as requires me to disclose same and refrain from voting.

FARRAR.

I voted for Senate bill No. 153 because the State, after many years, has failed to control Sunday picture show operation, and today a big majority of the counties in this State have one or more Sunday picture shows, and Senate bill No. 153 gives each incorporated city a right to prevent Sunday picture show operation, and such will be many times better than the present law.

WALKER.
